

SIZING TIPS

PERFECT FIT

Using your measurements, find your corresponding size on the Unisex sizing charts to the right. To ensure the perfect fit, follow these helpful tips:

- Choose your size based on the largest measurement taken (excluding sleeve length, back length, and pant inseam).
- If any of your measurements fall between two sizes, pick the next larger size.

YOUTH SIZING

To accommodate growing children, we highly recommend ordering one size larger.

ATHLETIC CUT PANTS

If you would like a looser fit for your pants, choose your size in the Athletic Cut. These pants are half a size larger than Regular Pants. They are roomier through the hips and thighs and have a 1.5" higher rise.

LOW RISE PANTS

If you would like your pants to fit lower at the waist, choose your size in the Low Rise Cut. The waistband is 2" lower than Regular Pants.

ALTERATIONS

Alterations are available on sleeve length, back length (longer only), and pant inseam for an additional charge.
